

Support St. John the Baptist

2024 Croatian Festival - Sat., Aug. 17

Donation Form

We appreciate our generous sponsors who contribute to the success of our annual Croatian Festival! Last year, despite the 106-degree festival day, more than \$83,000 was raised to support St. John the Baptist.

You can see some repairs, including the new sidewalk along Barnett. In the coming year, we need to replace windows at the rectory, plus make some necessary infrastructure repairs that are behind the scenes. Like our own homes, it is important for maintenance and upkeep for our 120-year-old church.

Festival funds also help us continue the welcoming Croatian traditions at Mass and other church events. Thank you for supporting St. John the Baptist Catholic Church.

YES! I want to help preserve St. John the Baptist and our Catholic Croatian legacy.
